**CLUB OF
GAWLER INC**

MEMBER OF ZONTA INTERNATIONAL

**EMPOWERING WOMEN
THROUGH SERVICE & ADVOCACY**

**ANNUAL REPORT
2019 - 2020**

Club number 1410, chartered in 1993, member Club of District 23, Area 2

PRESIDENT'S REPORT

It's hard to believe that my two years as President are coming to an end. Sometimes I feel that I'm just starting to get comfortable in the role. You start out thinking 'I can do this' moving to 'why am I doing this' then quickly appreciating what great women we have in our club and the wider Zonta world.

Over and above our ongoing service and advocacy work this year has been busy with various local and state and regional events celebrating Zonta International's Centenary.

Some of the events members had the opportunity to participate in included

- The Gawler Reconciliation Fun Day through both the Spreading the Reading Bug and the Gawler DV Network, a first for our club
- The Minister of Women's Networking Event held to celebrate Zonta's Centenary by providing SA Zontians an opportunity to meet leaders of NGOs with a focus on women's issues hosted by Michelle Lensink MLC
- A reception at Government House hosted by Governor Hieu Van Le and Mrs Lan Le to celebrate Zonta's Centenary
- Celebrating 125 of Women's right to vote and stand for parliament in South Australia by holding our September meeting over dinner at Parliament House hosted by John Dawkins MLC
- The Area 2 Centennial Gala Dinner
- The Australia and New Zealand Centennial Anniversary Conference held in conjunction with all Australian and New Zealand clubs.

Our membership this year has been very up and down. We welcomed Kim Wright, Denise Scappaticci, Sandra Sullivan and Chris Maudsley, with Nan Berrett joining us after the closure of the Clare Club. Sadly, we said farewell to Denise Costin, Franke Agenbag, Carolyn Cordon, Nan Berrett and Chris Maudsley. We've also said a temporary farewell to Robyn Arnold, Robyn Evans and Karen Low, who hopefully will rejoin us soon.

During the year we have continued our strong links with the Town of Gawler and Mayor Karen Redman, Member for Light Tony Piccolo, Joe Russo of Cibo's, The Bunyip and service clubs.

Especially pleasing this year was the endorsement of a new local service project at our annual planning day. Naomi Reschke and Sandra Sullivan have commenced Supporting Women in the Community Through Art.

Our year has ended with new challenges through the impact of Covid19 on the community. While this has affected on some projects, we have continued our service and advocacy when possible. We have participated in the Town of Gawler's Covid19 initiative, Community Connect, by providing children's books for distribution and we continue to hold meetings via Zoom.

I would like to give a special thank you to the members of the Board for their work and support through what has been a remarkably busy year.

It has been a privilege to serve as president during this centennial year, and I thank all members for their support and wish the incoming board every success.

Chris Frick
19 May 2020

REPORTS ON OUR ACHIEVEMENTS

Birthing Kits – District 23 Project

Led by Sandy Nicholson and Robyn Evans

The Club assembled 400 birthing kits for the Birthing Kit Foundation Australia (BKFA) in late June 2019. Our club budget of \$1200 for 400 kits was used in conjunction with Trinity College to hold an assembly day with Year 11 students during their community involvement day on 26 Jun 2019. Year 11 Child Studies teacher, Lauren Jones was the coordinator for the day.

Robyn and Sandy with the completed and packed 400 birthing kits

Breast Care cushions – District 23 Project

Led by Robyn Ruchel

This D23 service project is strongly supported by Club members. Cushions provide comfort to women (and men) in the post-operative phase of breast surgery. We also supply drainage bags for patients as they recuperate at home.

The last 12 months we have supplied to Calvary and Broken Hill hospitals as well as a Gawler local, with Alice Springs and Darwin hospitals finding a lost stash supplying their needs at present. As we have had a large donation of cushions from quilters, Chris Frick was able to take 20 unstuffed cushions to the presidents meeting and we have also posted 20 unstuffed cushions to Zonta Club Noarlunga Southern Vales, with them reimbursing the cost of postage. They also appreciated ones that were made from fabric that suit men as there has been a need.

We are still fortunate to be receiving support from Gawler Quilt Circle and SA Quilters guild and their member clubs, the last batch of cushions coming from Tea Tree Gully club. Our supporters supply cushions rather than drainage bags as the material outlay is almost a quarter less. I am currently making sufficient drainage bags to cover requests.

Boxes of Love

Led by Friend of Zonta, Karen Cabretti

This project is self funded through donations. Karen collects the various toiletries from NDVS and packages the items into usable packs. This process provides Workers with a quick and simple way of distributing pack of toiletries for women in need. Karen works with the NDVS staff to ensure a suitable supply of kits is available at all times.

Elimination of Violence Against Women in the Gawler Area

Pru Blackwell – Gawler DV Network Chair

Zonta Club of Gawler was instrumental in leading the establishment of a domestic violence network in 2016 whose role is to raise awareness of domestic and family violence and the impact it has on the Gawler community. The Network also advocates to all levels of government on issues such as the lack of appropriate and affordable housing, economic insecurity and service support.

During 2019-20 the Network continued to be chaired by the Zonta Club of Gawler which enables the Club to connect with the community with a powerful visual focus to raise awareness that maximizes Zonta International's program of eliminating violence against women. Members Pru Blackwell, Kim Wright, Pam Young, Chris Frick, Denise Scappaticci, Naomi Reschke, Val Mew, Beppy Golan and Sandra Sullivan are the Club's predominant contributors to the Network.

Most significantly this year, the Network's profile was increased through the local Gawler newspaper "The Bunyip".

This prompted the Network to commend the Editor. The following extract from correspondence to the Editor highlighted the exceptional level of support.

*"Thank you so much to you and your staff for your strong and thought provoking coverage supporting the Gawler Domestic Violence Network's 2019 **"Gawler Says NO to Family Violence"** banner project. Gawler Council, businesses and schools proudly displayed 26 banners and 50 posters this year along with several electronic versions. Combined with our Vigil, the Zonta coffee morning at Cibos, our shopping centre handouts and your wide media coverage, we achieved our aim of getting the community of Gawler again talking about Domestic Abuse. We can only hope our community members will more readily recognise Domestic Abuse for what it is, and stand up and speak out when they see it."*

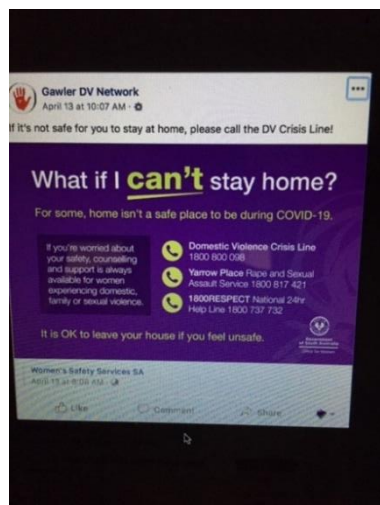

The level of journalism ranging from front page pictures and articles through to sensitive reporting on DV victims' stories, raised awareness throughout the town which complemented the visible presence of the Network's activities.

Zonta Clubs of District 23 participated at the combined Australian and New Zealand District's conference in September 2019 in Brisbane at which a presentation was delivered on the Gawler DV Network, its role and functions and program scope. It was delivered as an example of a community development approach to prevention programs. Several interstate Clubs continue to communicate with Gawler to share learnings and achievements.

The Network also participated in Gawler's Reconciliation Day – May 29th 2019- which was held indoors at the Gawler Recreation centre due to inclement weather. Organisers still managed to attract many community group activities and displays which enabled the Network's material to be widely circulated which included the "I Expect Respect" stickers, domestic violence fact sheets and photo opportunities with a photo board prepared by Lou and Chris Frick which was covered with sayings reflecting the Network's mission.

The Network has solidly established electronic data sourcing information from Australia's National Research Organisation for Women's Safety (ANROWS), Our Watch and Women's Safety Service SA (WSSSA) data. This has been used in fact sheets for distribution as

required in hard copy. A power point presentation was provided to the Gawler Civic Centre for ongoing use in its café space.

Similarly the Network's Facebook site is regularly posted with information and linkages for peak agencies and support phone numbers. The Network's Facebook page also highlights new and emerging government strategies and programs. Kim Wright has been the author of the fact sheets and for maintaining Facebook postings.

Gawler DV Network Facebook post

Members of the Network lodged an application to the Australian Government's Community Grants Hub for Community – led Projects to Prevent Violence against Women and Children. The application was designed to seek funds for a project worker who would develop a community education and awareness raising strategy accompanied with PR tools. It was premised on a three year program with a strong focus on a sustainable outcome for the Network. Despite the application being unsuccessful it provided members with a guiding document which could underpin future proofing options for the Network.

Gawler DV Network's program includes a number of events during the global 16 days of activism campaign.

The **16 Days of Activism against Gender-Based Violence** is an annual international campaign that kicks off on 25 November, the International Day for the Elimination of Violence against Women, and runs until 10 December, Human Rights Day. It was started by activists at the inaugural Women's Global Leadership Institute in 1991 and continues to be coordinated each year by the Centre for Women's Global Leadership.

During this period and utilising their orange colour theme , members decorated Gawler's main street and Tony Piccolo's (Light Electorate MP) office main street window. Front line staff at his office, the Town of Gawler and Cibo's café all wore Zonta Says NO to Violence against women T shirts.

On Saturday November 23rd 2019 Zonta facilitated a morning tea at Cibo's. This was well supported by Zonta invitees and their family and friends. However numbers were slightly down on last year's event. Mayor Redman spoke passionately to the group about the power of prevention programs such as the approach in Gawler and also called on the involvement of "good men" as a powerful message and sign to highlight alternative behaviours. Pleasin' Choir provided a rousing number of feminist based songs ,whilst encouraging everyone present to sing along as well. Pam Young co-ordinates this event and is grateful to Cibo's management, Joe and all his willing staff.

On Saturday November 23rd 2019 Zonta facilitated a morning tea at Cibo's. This was well supported by Zonta invitees and their family and friends. However numbers were slightly

down on last year’s event. Mayor Redman spoke passionately to the group about the power of prevention programs such as the approach in Gawler and also called on the involvement of “good men” as a powerful message and sign to highlight alternative behaviours. Pleasin’ Choir provided a rousing number of feminist based songs, whilst encouraging everyone present to sing along as well. Pam Young co-ordinates this event and is grateful to Cibo’s management, Joe and all his willing staff.

Zontians Chris and Pam

Mayor Karen Redman with Zontian Helen

The morning tea is set against the back drop of Zonta Says No to Family Violence banners which are suspended across the main street, on the hotels in the main street and at the town’s three major entry points , Gawler Health Service and a mixture of primary and secondary schools. This project has increased in number this year to 26 banner sites and distribution of posters to 50 main street shop windows. Martin Kennedy (White Ribbon Ambassador) co-ordinates this project and is building an evaluation profile of the project all of which has been favourable.

In conjunction with Womens’ Safety Service,(WSS), the Network held two shopping centre stalls – Coles Green and Coles Central on November 22nd and 23rd 2019 - from which information was provided to passers by. Distribution included domestic violence fact sheets, White Ribbon merchandise and Zonta and WSS brochures.

On November 28th 2019 the Network held its first twilight Vigil and Remembrance service which was conducted to highlight the women who have died / been murdered by current or former partners. The vigil service was written by Sandra Sullivan and was attended by some 36 people from agencies and individuals. The vigil was held at 530pm on the recreation space on the corner of Adelaide Road and Fifth Streets. The Network was very grateful to the Town of Gawler for granting the Vigil planners permission to use the site and to suspend Gawler Says No to Family Violence banners on all sides of the fencing.

Similarly helpful were Taylor and Forgie for advice on the service structure and the Gawler Anglican Parish for providing a bell ringer at the end of the service. The support of SAPOL being present assisted some attendee enquiries and the role played by the Bunyip at the event were significant outcomes.

Members of the Network have been briefing the Mayor and staff at two face to face meetings to update her on our proposed activities and particularly to develop a conversation on social housing. It has been tentatively agreed that a housing forum will be held at a later date where housing “experts” can discuss the needs of the Gawler population in terms of short and long term affordable housing.

In October 2019 the Network, through the ZC of Gawler was runner up for the Service Clubs Association of SA Premier’s Award for Community Education for the Gawler Banner Project, receiving \$400.00 in prize money.

The Network was particularly proud to have been selected as a joint winner of the Town of Gawler Australia Day Awards in the Community Group of the Year category. It was accepted by members at the Australia Day Breakfast on Monday January 26th 2020 at Gawler’s Apex Park.

Family Care Kits

Led by Karen Low and Lina Cianci

Family Care Kits developed from the Emergency Care Kits that were created to provide sanitary items for girls in need. In 2019/20 the move was made to Family Care Kits due to the increased need for families in general. The kits were distributed to Gawler and District College, however the kits have not been utilised. It is recommended that the club reconsider this project.

Scholarships

The club provides three general scholarships, one to each local secondary school and one dedicated to a female STEM student at Gawler and District College.

The general scholarships are provided to a female student nominated by each school who is in danger of not completing Year 12 due to hardship.

2019 Scholarships were awarded to Bianca Schomburgk, Xavier College, Shyla Nilsson, Trinity College and Jamie Stansborough, Gawler & District College.

STEM (Science Technology Engineering and Mathematics)

Led by Naomi Reschke

The Zonta Club of Gawler has provided a scholarship of \$500 per annum to a female student at Gawler and District College to increase the opportunity for girls to engage in STEM subjects. The scholarship is in line with that of Zonta International which has awarded six scholarships from six countries for young women including computer science, informatics, educational data mining, and learning, design and technology.

The Zonta Club of Gawler awarded the STEM scholarship to Tianna Ranford an outstanding student at Gawler and District College. Tianna will access her scholarship

funds to purchase resources for her work towards a medical degree. As Tianna says “*thank you for supporting my dreams*”

Zonta Member Val Mew, Tianna Ranford, Naomi Reschke, Angie Michael, Principal Gawler and District College.

Spreading the Reading Bug

Led by Wendy Randell, with Chris Frick, Pam Young, Val Mew, Janet Done, Christina Artini

Spreading the Reading Bug Project is an early literacy project which commenced in 2017. The main collection points for pre-loved books continue to be The Gawler Community House; the local member, Tony Picollo’s office and Gawler Drake supermarket. The second half of 2019 year saw the Gawler community generously donating hundreds of pre loved and new books to the project.

The year 2020 started with an excellent book stock; both the amount and the quality continues to be high. Fortunately, at the start of 2020 a working bee was held to sort a large part of the book stock.

In early March, Zonta was invited to participate in a Gawler Fringe event held at Gawler West. A broadly successful event, the day was well patronised by families, and children enthusiastically selected their books from the supply displayed by Zonta club members. Our Reading Bug mascot (aka Pam Young) attended to engage with families and particularly, small humans attending the in the Gawler event. Some families got into the spirit of the occasion and came along with books to donate to be passed on at future events.

Just days after the Fringe event it became clear that the planned 2020 events for distributing to small humans living in the region had to be cancelled because of the Covid 19 pandemic restrictions.

Negotiations then took place with Gawler Council through their ‘Community Connect’ initiative. As an outcome of these negotiations Zonta Club of Gawler is still able to continue with the project through the Covid 19 pandemic. In partnership with the council, collected pre-loved books are distributed to identified families.

All Reading Bug Project members work hard through the year to keep our book stocks high and keep the books moving back into the community. Also we would like to again thank Patricia for her ongoing support of the project by providing suitable storage in her shed. Finally, many thanks must go to our friends of Zonta who help when needed, which is often.

Supporting women in the community through art

Led by Sandra Sullivan and Naomi Reschke

Zonta Club member, Sandra Sullivan initiated a project to link with senior and isolated women in the broader community to provide an opportunity to experience art through active participation in workshops. In partnership with the Gawler Community Centre a “Colouring Conversations” group was established which invited participants to engage in art activities which supported their wellbeing and mental health. The members of the group met on a number of occasions prior to the Covid – 19 isolation process. The workshop catered for up to ten participants and numbers were retained each week. The project will be followed up at the appropriate time. The Gawler Community Centre has been extremely supportive and encouraging throughout the process. An expansion of the project may be negotiated if the required space is available at the centre.

A second stream under consideration for this project is to link with women in aged care to discuss works of art and provide an opportunity to engage with conversation, explore ideas, and stimulate interaction for the support of wellbeing and care of senior women. (Women In Aged Care) This will be developed after the Covid 19 isolation.

DISTRICT AND AREA ACTIVITIES

The year provided members with many opportunities to participate in Area 2 and District 23 events.

- Area 2 Workshop was held in Mintaro in May 2019. Club members attending were Pru Blackwell, Naomi Reschke, Beppy Gollan and Chris Frick
- ZC of Adelaide held their 50th year celebration event attended by Naomi Reschke and Pru Blackwell
- Parliament House attendances in support of legislative changes to Sex Worker Bill, in both Upper and Lower House debates were attended by Naomi Reschke, Beppy Gollan and Pru Blackwell

- Area 2 Centennial Event planning committee, Chairperson Pru Blackwell, Treasurer Chris Frick
- A reception celebrating Zonta's Centennial at Government House at the invitation of Governor Hieu Van Le attended by many club members

Minister Lensink with Chris

- A networking morning tea at Parliament House at the invitation of the Minister for Women, Michelle Lensink MLC. The Minister celebrated Zonta's Centenary by providing an opportunity for Zontians to meet with leaders of NGOs that supported women's issues.

International President Susanne with Val, Naomi, Chris and Pru

The Australian and New Zealand Centennial Anniversary Conference involving all Districts in Australia and New Zealand. Naomi Reschke coordinated this event at the invitation of the respective District Governors.

International President Susanne von Bassewitz attended the conference. During District 23 business Naomi Reschke was elected to the D23 Nominating Committee and Chris Frick was elected Area 2 Vice Area Director for 2020 – 2022.

- The Area 2 Centennial Celebration Gala Dinner in the presence of District 23 Governor Jane Adornetto. At the dinner Natasha Stott Despoja, AO, was presented with the District 23 Centennial Recognition Award.

Natasha, centre, with Governor Jane, Area Director Eronwyn and Vice Area Director Lynda

125th Anniversary of Women’s Suffrage in South Australia

To celebrate 125 years since the women of South Australia became the first in the world to not only get the vote but to also be allowed to stand for parliament the club met at Parliament House in September for dinner, hosted by John Dawkins MLC. The dinner was held in the old parliament house chamber with John providing a tour of Parliament House after dinner.

During the evening the club presented Lina with our own club’s Heidi Taylor Awards in recognition of the member’s quiet achievements. Sandy was absent that evening and received her award at the next club meeting. We also took the opportunity to thank Maggi Gregory, a former club and charter member, for all her work for the club.

Lina and Chris

CLUB MANAGEMENT

Planning

Led by Sandy Nicholson with full support of the Club members

The annual planning day was held in February 2020 and included a club 'norms' exercise. The Board considered the increase in membership was the perfect opportunity to reflect on how we operate and how we can improve. The members have discussed the outcomes as subsequent monthly meetings. We have already implemented a friendlier seating arrangement for meetings.

As usual we spent time celebrating our achievements, deciding on projects and events for 2020, allocating responsibilities to Club members, and budgeting for projects and events. It was great to have a new project proposed and supported, Support for Women Through Art.

Our meeting venue, Divine Dining, the catering business of Chris Andrews, continues to work very well for us. The food is always wonderful, and the venue encourages social interaction between members before and after meetings.

Webpage

Led by Sandy Nicholson

Content upgrade is continuing, and the site continues to develop, providing information to members, as well as potential members. The site advertises upcoming events and gives members access to ZI and Club information. The members only area is slowly becoming the storage for electronic documents, including meeting minutes and financial reports.

Facebook

Led by Lina Cianci

The Club has an active Facebook page, used to advertise upcoming events, celebrate success and as a tool to attract potential members. This is being utilized more by the club not only for Zonta events, but to promote other organizations' events in the support of women and children.

Fundraising

Led by Patricia Dent with Lina Cianci and Margaret Noack

Over the past 12 months from 2019/20 we saw changes with our fundraising. We held a moving evening (feature film POMS) and had a successful raffle later in the year. Our annual quiz night was postponed due to the number of competing fundraising events occurring in Gawler during that month.

Normally our major raffle is launched at the Quiz Night, however we still launched the raffle in October. As usual we sold tickets during the Rotary Village Fair and members also sold tickets privately. Even without the Quiz Night sales we raised approximately \$1,800.

It was decided at the 2020 Planning Day to reassess our fundraising strategies, however before anything could be determined Covid19 happened!!

Our fundraising is the foundation of our projects and looking forward we will need to have a few major events to raise much needed funds.

Membership

Led by Wendy Randell with Chris Frick

The year was going well with four new members, Kim, Denise S, Sandra and Chris, with Nan joining us after the ZC of Clare closed. Sadly, however we said farewell in quick succession to Denise C, Franke, Carolyn and Chris. Robyn E, Robyn A and Karen are taking a necessary break from Zonta and hopefully will rejoin us soon. The club currently has 18 members.

Zonta International Foundation

One third of our fundraising supports Zonta International Foundation Projects. These projects are determined at the Biennial Convention. The projects over the 2018 – 2020 Biennial international projects are in partnership with the United Nations Women, UNFPA and UNICEF

During the 2018-2020 Biennium, three projects are being supported by the International Service Fund:

- Let Us Learn Madagascar: An Integrated Program for Adolescent Girls.
- Eid Bi Eid (Hand in Hand): A program to improve the resilience and empowerment of Syrian refugee and vulnerable Jordanian women.
- Ending Child Marriage: A program to accelerate global action.

The Zonta Club of Gawler will donate \$989 this year to the Zonta International Foundation in support of these projects. This is less than previous years, reflecting the reduction of fundraising in part due to Covid 19.

COMMUNITY INVOLVEMENT

The Zonta Club of Gawler is also involved in local events where we work closely with other service clubs for the benefit of the community. Some of these events also give us an opportunity to be involved in ways that are not the usual Zonta business yet allow us to honour the commitment that other volunteer groups make to the community.

Gawler Community Services Forum

Club Representative, Beppy Gollan

The forum is an information network of community groups and agencies that meet monthly to share information, discuss issues and develop partnerships and collaborate to improve services for Gawler residents. The club is a financial member of the forum.

Gawler Australia Day Breakfast

Led by the Gawler Apex Club, local service clubs combine on Australia Day to get up bright and early to serve breakfast to the community. Cooking and serving of pancakes, jam and cream has been our role for several years. This event is a favourite with club members.

Gawler International Women's Day Breakfast

Chairperson, Pam Young

Zonta once again partnered with the Gawler Girl Guides, View Club and CWA Bottle Brush Ladies to organise the successful annual International Women's Day breakfast on March 6 2020. The event held at Nixon's Function Centre and generously supported by Shawn Noack and his staff, attracted over 120 patrons.

Following a flag ceremony by the Girl Guides, scholarships were awarded to 3 young women from our secondary schools to assist with their education expenses. Our guest speaker this year was a local young woman, Pamela Wittman, a health worker in the Airforce who shared her vast experience with emergency situations both locally and internationally. Her story thus far is an inspiration.

The community, businesses and committee members provided items for a successful raffle organised by the Girl Guides which will assist in funding further scholarships.

The Bunyip provided valuable coverage of the event.

Thanks to Zonta members Naomi Reschke and Sandy Nicholson for their involvement of many years.

Service Clubs of Light Forum

This Forum is run by Member of Light, Tony Piccolo. Representatives of service clubs meet on an ad hoc basis to explore ways to increase membership and connect with younger members of the community. Chris Frick, as President, attends these meetings.

Community Connect

This initiative was implemented by the Town of Gawler during the Covid19 crisis. The intention is to ensure all members of our community are supported during social isolation. The club has supported the initiative by providing children's books from our Spreading the Reading Bug stock for distribution by the Town of Gawler.

COLLABORATION AND SUPPORT

Our club could not achieve so much with the support of others. Our support comes from individuals and groups within the Gawler community. On behalf of all Club members, I would like to acknowledge the support of the following community groups and individuals and offer our sincere thanks. Without this support, we would not be able to achieve so much.

For our monthly meetings, Planning Day and Christmas dinner, we continue to enjoy the support of Chris Andrews of Divine Dining, who serves the most 'divine' food and allows us to take over her function room every month.

Our service projects and advocacy endeavours have again been wonderfully supported by the local community and, without their work, the projects would not have been so well integrated in the Gawler community. Thanks go to staff of the following organizations, in no particular order:

- Hewett Community Centre,
- Gawler Community House
- Drakes Gawler
- Town of Gawler,
- Gawler and District College B-12 Children's Centre,
- Northern Domestic Violence Service
- Office of the Member for Light, Tony Piccolo MP
- Cibo's Café
- All the Murray Street businesses who put up banners and posters
- The Bunyip
- The Gawler Anglican Parish
- SAPOL, Gawler
- Martin Kennedy, White Ribbon Ambassador.

Fundraising also requires a great deal of input from the community, either through the donation of raffle prizes, time and energy to help set up and decorate events, catering, arranging 'stuff' and we thank all of them for their continuing support.

Particular thanks to the Mayor of the Town of Gawler, Karen Redman, a committed supporter of our Club. Also to, Tony Piccolo, MP, a long standing supporter of our Club, who provides display space for our events in his office window as well as printing support. The Hon John Dawkins is also a long time supporter of the club and we thank him for hosting our dinner at Parliament House where we celebrated 125 years of South Australian Women achieving the right to vote and stand for Parliament.

Additionally, we also wish to thank all those who come along to our events and buy our raffle tickets. Last but not least, I'd like to thank all the spouses, kids, extended families, and close friends of our Club members, who are very supportive of our involvement in Zonta, are happy to lend us a hand and do not begrudge the time we spend honouring our Zonta commitment.

In Closing

It has been an honour to have the role of President this last two year. I thank all the members of the Zonta Club of Gawler for their support and commitment to projects, this has made my role so much easier. I look forward to the next year and the changes the new Board will bring to the club.

Chris Frick
President
Zonta Club of Gawler
